BIBI Thought for the Week:

"The aim of the education of the deaf should be to make him a well-balanced, happy individual and not a pale imitation of a hearing person. Let us aim to produce happy, well-adjusted deaf individuals, each different from the other, each with his own personality."

Dr. Rudolph Pintner

Winkler Trust Fund

The Louis E. Winkler Deaf and Blind Trust is a fund established in 1969 by Mr. Winkler, a friend of Jackson A. Raney, (ISD Superintendent 1935 - 1965).

The purpose of the fund is to allow the school's Superintendent to provide things for indigent children which the state does not furnish and would otherwise be impossible for the children to get.

The fund is under the control of the Superintendent. Those who wish to request use of the trust should complete a SRF Request Form and return to the Business Office for review and disbursement.

Basketball Schedule Corrections

There are several changes in the schedules for boys', girls', and Middle School basketball teams. These include changes in time, location, and addition and/or cancellation of games. The school calendar does not reflect these changes. Please check the two-week calendar in the Campus Bulletin for accurate information.

Note: The **Varsity Girls'** game on **December 1st** is at home vs Lakeview Christian. The game will start at **7:00 pm**.

NCI to Caption 4 New Soaps

The National Captioning Institute will soon be captioning four more of television's most popular daytime dramas. The country's Deaf and Hard-of-Hearing population will now have the opportunity to enjoy these soaps thanks to new partnerships created between the US Department of Education, program producers, corporate advertisers and Capital Cities/ABC, Inc.

CBS's "The Young and the Restless," the top-rated soap opera, began airing with captions in October with funding provided by Columbia Pictures Television and the US Department of Education.

ABC's "All My Children" and NBC's "Another World" join the captioned daytime schedule in November. An additional ABC offering will debut with captions in January 1993. These shows join other captioned daytime hits such as ABC's "Loving," CBS's "The Bold and the Beautiful" and NBC's "Days of Our Lives" - all captioned by NCI.

"This represents the most significant expansion to the captioned daytime schedule ever," said Jane Edmondson, NCI's Vice President for Program Marketing. "It is certainly a major milestone. By the beginning of the year, NCI will jump from captioning 10 hours a week of daytime dramas, to 30 hours."

To increase the percentage of captioned daytime programming, NCI has fostered partnerships between the public and private sectors. "Rather than just applying federal grants to caption a few shows, NCI endeavors to combine those dollars with matching funding from private companies," says Edmondson. "This approach allows us to caption two to three times as many programs and move closer to our goal of 'equal media access for all'."

Formed in 1979, NCI has captioned more than 50,000 hours of programming. For more information call NCI at (800) 321-8337 TTY, or (800) 533-9673 Voice.

Applicants Sought for BiBi Committees

In keeping with the restructuring of ISD, the Bilingual/Bicultural Committee is reorganizing. The committee will become seven smaller "working committees" which will serve as support to each member of the management and consulting teams.

These seven working committees will be comprised of staff members who embrace the school's philosophy and are committed to its full implementation. Membership is open school-wide.

Those interested in serving on the committee will be screened by the management and consulting teams in cooperation with Bill Coffey and David Reynolds, contact persons for the current BiBi Committee.

Criteria for screening will include:

- *Cultural Sensitivity*
- *ASL Fluency*
- *Knowledge of ASL Linguistics*
- *Will Serve as School-Wide Resource*
- *Will Contribute Regularly in Committee Work*

If interested in serving on one of these committees, please inform Bill Coffey or David Reynolds by Monday, November 30th.
